TEN INNINGS IN SATURDAY GAME

PICKED NINES HAVE A HARD
CONTEST AT THE LEAGUE
GROUNDS.

One of the best games of baseball
that have been seen this year was played
on Saturday afternoon between two
picked teams, captained by Fernandez
and Vanatta. It took ten innings to
settle this game, and it was baseball
of the best order, although there were
some costly errors made. Jones did
not have his arm in the best of con-
dition and threw wild several times to
second. Charley Falk was chosen to
umpire the game with John Wise and
his decisions in regard to strikes and
balls were the cause of a good deal of
good natured joshing from the grand
stand and bleachers. One of the most
amusing features of the game was the
rooting from a number of sailors from
the Cincinnati, and their versions and
criticisms of the players and plays,
was the kind of rooting that we should
have at all times here, —yell who
played on the team captained by Fer-
nandez played a very good game in the
field and was also good with the stick
and as one of the sailors remarked
would be a good player, if he only had
a set of gasoline engines in his feet
as his running to bases was on the dry
horse variety. Evers let some good
hits pass him, but made up for it by
making some very good catches. Fer-
nandez was not playing his usual game
and his error in the tenth gave the
game to the other side. Lemon was
very good on the bases, and caused
Hampton to throw a number of times
to first to try and catch him off but
each time was able to reach the bag
before the ball. Eddie Desha made
the first score of the game by a pretty
steal from third to home. In the last
half of the ninth Darcy made the run
that tied the game, and the second and
last run was made by Evers. Hampton
relieved Reuter in the box in the fourth
inning and pitched a very good game.
Williams was in the box for the Fer-
nandez team and pitched a very fine
game. The line up of both teams are
as follows:

Vanatta Team—Evers, ss.; Hamp-
ton, 3b-p; Miller, lt.; Jones, c.; Darcy,

Fernandez Team—Leon, rf.; Fer-
nandez, ss.; E. Desha, 3b.; Aylett, cf.;

J. Desha, 2b.; Gleason, 1b.

SPORT NOTES.
Tomorrow night at 7:30 there will
be a meeting of the new Atkinson
baseball league at the Government sta-
bles at Kakaako. There will probably
be five teams in the new league com-
posed of the Police, Post Office, Stars,
Unknowns and the H. A. C. In all
probability Sam Johnson will be elect-
ed President of the new league, and
the first game will be played at the
new grounds in about three weeks that
have been named in honor of the ex-
Secretary.

The baseball team of Catton, Neid
& Co. played a game yesterday with
the team of Hackfeld & Co. and were
able to win by the large margin of 19
to 11. The iron workers played very
well together as a team and by heavy
hitting were able to get a lead that
was never overcome.

In the play-off for the tie between
Smith and Merriam in the White Rock
 trophy at Haleiwa yesterday, Mer-
riam was beaten by Smith, and Smith
is another one to have his name in-
scribed on the trophy, that has been
played for so long, but has never been
won as a permanent trophy.

This afternoon at one o'clock the
English and Australian members of
the Honolulu Cricket Club will play a
game at the Makiki grounds. The game
promises to be much more exciting
than the last few games that have been
played, and the chances of victory are
in favor of the Australian team. The
teams will line up in the following or-
der:

Australian team: J. R. Broadfoot,
captain; E. W. Barron, S. Cain, H.
Chadwick, C. E. Edwards, R. A. Jordan,
Grant, Johnson, J. W. Laker, P.
Morse, C. Rowell and Thompson.

English team: B. Anderson, R. J.
Buchly, S. Beardsford, T. Gill, J. W.
Piddes, J. R. Maclean, P. J. Harwood,
H. E. Pickett, J. O. McMill, D. L. With-
ington and R. E. Cape.

Once more the dove of victory perch-
ed over the Post office building, as the
postmen were able to defeat the Guar-
dians of the Peace by the score of 12
to 5. The police played very well un-
til Leal threw wild over the third base-
man's head, and then the police lost
all control of the game, and it was a

CHINESE PLAY VERY HOT BALL

AALA PARK THE SCENE OF A TIE
GAME WHICH CREATED GREAT
EXCITEMENT.

One of the best ball games that have
ever been played at Aala Park, and in
fact one of the best that has been
played here this year was the game
yesterday afternoon that was played
between the Chinese A. C. and the Chi-
nese Alohas. For twelve long, hard
fought innings the teams fought for
the one run that would mean victory,
but the shades of night were fast fall-
ing and when Umpire Fernandez called
the game the catcher could not see the
pitcher, while Capt. Berger had to turn
the lights on the band stand, so he
could see the notes before him.

Nearly five thousand people watched
and cheered on the players, but to no
avail. Victory was not in order yes-
terday and these two crack teams will
have to fight it out again at some later
date.

The last few innings were so excit-
ing that the police were called in to
keep the crowd back, but they were
powerless to cope with the situation,
notwithstanding the large crowd. They
were orderly in every way. Both teams
played baseball of big league variety,
but the honors of the day went to V.
Ayau, who played a first class game in
every way and his catches of hard fly-
ers were better than the crack Evers
of the Saints ever did. The regular
pitcher of the Alohas, Ho Yup, was
unable to pitch on account of an in-
jured arm, but his place was well filled
by J. Kaimi, a student at the Kame-
hameha School, while he played a star
game at first for his team. If the Alo-
has use as much head work today as
they did in yesterday's game, they
should win from the native boys in
today's game. The battery for the Ath-
letic Club played good ball, but their
team work was not as good as the
team work of the Alohas. The crowd
seemed to be with the Alohas, but the
Athletics got a good deal of cheering
from their own team as well as from
the crowd.

GOLF TOURNAMENT DATES ARE FIXED

FIRST OF THE CONTESTS FOR
THE MANOA CUP A WEEK FROM
YESTERDAY.

The golf tournament for the Manoa
Cup, and the championship of the is-
lands will be played on the course of
the Country Club on Sundays, Septem-
ber 8th and 15th. The tournament is
open to all residents of the Hawaiian
Islands. An entry fee of fifty cents
will be charged.

The winner of the tournament will
have his name engraved on the cup
every year, which will continue to be
the property of the Club, and will also
yearly receive some suitable memento
of his victory.

There will be 36 holes medal play
for the qualifying round, and the first
sixteen will be eligible for the finals
when they will also play 36 holes and
the player having the lowest aggregate
score will be declared the winner of
the cup. Each player shall report at
10 o'clock promptly on the morning of
each date and shall play off his 13
hole sat 10 a. m. and 18 holes at 2 p.
m. on the days mentioned for the tour-
nament.

In the event of a tie for the 16 places
in the qualifying round the players so
tied shall continue to play until one
shall have gained a lead by strokes,
the hole or holes to be played out. In
the event of a tie for place in the final
round of 36 holes the players shall
play another round of 18 holes medal
play at such times as may be decided
upon by the grounds committee.

The grounds committee consists of
the following members: F. Armstrong,
chairman; D. W. Anderson, E. O.
White, O. L. Sorenson and Wade W.
Thayer.

very easy thing for the post office
boys to pile up the large score.

The formation of another baseball
league, to play on the latest "Atkinson
Park" in Kakaako, calls attention to
a new park not generally known, as it
is away from the general lines of
travel. The fact is that Kakaako has
acquired a very large level space of
green, one of the biggest playgrounds
of the city, and it is bound to be of
very great benefit.

THE STARS WON.

The baseball teams of the Stars and
the Referees played a rather one-sided
game yesterday, and the Stars were
able to win by the score of 9 to 0. The
line-up of the teams are as follows:

STRAUS IS A LAWBREAKER

Oscar Straus, Secretary of Commerce
and Labor, did not set a good example
to the country when he deliberately
broke the law or harbored a breach
of the law by taking passage in a for-
eign ship from Honolulu to San Fran-
cisco because he happened to be in a
hurry and was unwilling to wait for
the regular liner.

The fact that Mr. Straus cheerfully
paid \$800, the total amount of the
fine imposed upon the British steamer
"Asia," for conveying the Secretary of
Commerce and Labor in violation of
the coastwise navigation law, does not
excuse him. Laws are made to be
obeyed; not to be violated by wealthy
persons who can afford to pay the
fine.

The law prohibiting foreign vessels
from engaging in coastwise traffic was
enacted not as a measure for raising re-
venue, but as a means of protection
for American shipping. It is a law,
moreover, that bears directly on the de-

partment of which Secretary Straus
is the official head, and he, for that
reason, should be particularly scrup-
ulous in obeying it.

Of course, Secretary Straus' offense
is not murder or arson, but it comes
ill from him at a time when the whole
nation is clamoring for a more exact
and respectful obedience to the law
from rich men. The law prohibiting
the granting or receiving of freight
rebates is no more binding than the
law prohibiting a foreign vessel from
engaging in our coastwise traffic. The
fact that the Standard Oil Company
has made so much out of its law-break-
ing that it can pay the maximum fine
and still have a huge profit is not a
valid excuse. Neither is the fact that
it was worth \$800 to Mr. Straus to save
some days. The law must be obeyed
at law. That is the precept which we
are thundering at the predatory rich;
but what shall we say when they point
in reply at Secretary Straus?—S. F.

STOP WOMAN AND CONSIDER

First, that almost every operation
in our hospitals, performed upon
women, becomes necessary because
of neglect of such symptoms as
Backache, Irregularities, Displace-
ments, Pain in the Side, Dragging
Sensations, Dizziness and Sleepless-
ness.

Second, that Lydia E. Pinkham's
Vegetable Compound, made from
native roots and herbs, has cured
more cases of female ills than any
other one medicine known. It regu-
lates, strengthens and restores women's health and is invaluable in
preparing women for child-birth and during the period of Change
of Life.

Third, the great volume of unsolicited and grateful testimonials on
file at the Pinkham Laboratory at Lynn, Mass., many of which are from
time to time being published by special permission, give absolute evi-
dence of the value of Lydia E. Pinkham's Vegetable Compound and Mrs.
Pinkham's advice.

Lydia E. Pinkham's Vegetable Compound

For more than 30 years has been curing Female Complaints, such as
Dragging Sensations, Weak Back, Falling and Displacements, In-
flammation and Ulceration, and Organic Diseases, and it dissolves
and expels Tumors at an early stage.

Mrs. Pinkham's Standing Invitation to Women

Women suffering from any form of female weakness are invited to
write Mrs. Pinkham, Lynn, Mass., for advice. She is the Mrs. Pinkham who
has been advising sick women free of charge for more than twenty
years, and before that she assisted her mother-in-law, Lydia E. Pink-
ham in advising. Thus she is especially well qualified to guide sick
women back to health. Write today, don't wait until too late.
